

DRIVEWAY PERMIT

DATE _____

ISSUED TO _____

FOR: _____

Your request to construct a driveway on _____

connecting _____

to _____

which is town property, is granted subject to the following provisions:

1. The driveway, or access road shall be constructed in such manner that it does not interfere with the existing drainage, the movement of traffic, or the removal of snow from the highway.

2. The driveway shall be constructed in such manner that it does not permit the runoff of water on to the highway to enter into the property of the owner, thereby creating a nuisance to the town and the owner.

3. The owner and the contractor shall be responsible for all claims of damage resulting from the construction of the driveway.

4. The driveway shall be stabilized for a sufficient distance in from town property to prevent erosion on to town property and shall be designed in a manner to confine the surface water to the gutter areas and permit free flowing of the water in the waterways.

5. If the driveway is to be hardtopped at a later date, allowances must be made for the additional change of grade where the driveway connects with existing waterways or traveled portion of the town road.

6. The disturbed areas with the town's right-of-way shall be repaired by the owner or the contractor.

7. You are further required to _____

Our Road Foreman is being sent a copy of this permit and he is available to advise you and to order the correction of any work not conforming to the regulations.
