

Open Space Committee

Meeting Minutes

July 24, 2013

In attendance: Anthony Irving, Linda Bireley, Parker Lord, Steven Mattson and Lucius Stark

Meeting was called to order at 7:00 pm.

Linda Bireley advised the committee of a request for the committee's report for publication in the town's annual town report. This year's report will again be compiled by Linda and Barbara with an emphasis on a more summary level of information.

Discussion was held about the suitability for open space preservation of 2 properties presently being offered for sale. 67 acres near Brush Hill and Rte 82 which is not considered a viable developmental property due to its prevalence of wetlands and ledge and a 2 ¼ acre property on Selden Rd with water access.

The meeting was adjourned with no action being taken at 7:45pm.
