

Lyme Parks and Recreation

Fall Soccer League Registration 2015

Soccer Registration can be mailed to The Lyme Town Hall (480 Hamburg Rd. Lyme, CT. 06371) by Friday, September 4th. Coaches will be meeting Saturday, September 5th. It is very important that they are in on time so we know how many teams we can have. Late signs ups result in oversized and unbalanced teams. Please fill out a form for each child. **In order to make fair teams and to schedule games there will not be any late registrations excepted. Please do not send any registration forms into the school. We will be combining all grade levels with Old Lyme, although, Lyme residents must register through Lyme Parks and Rec.** It is very difficult to switch teams after they have been made. Your understanding is appreciated in helping us make fair teams and provide your child with an exciting and competitive soccer season.

The Fall Soccer program is open to Lyme Residents and combined with Old Lyme.

All sessions will be held at Town Woods Park.

Teams are co-ed and are grouped by grade and ability.

Pre-K (Ages 3 & 4) Grade K Grade 1 Grade 2 & 3 Grade 4 & 5

Pre-K, Grade K & Grade 1 are Instructional Sessions held on Saturday mornings only.

Grades 2-5 games are on Saturday mornings
and the teams usually practice on the Field before their game.

Forms can be found in the town hall and on the town website.

The teams and schedule will be formed at a Coaches meeting (TBD)

Coaches will call with all details after the teams have been formed.

Fee \$40 per child / \$60 per family

Parent volunteers will be needed to run these activities. Thank you in advance for your participation. Please be sure your child is prepared with proper attire and a bottle of water at every game and practice. Please respect the coaches and other team members by having your child attend all practices and games and by arriving at the scheduled time. Updates will be posted on the Old Lyme Parks and Rec. website. Any questions can be directed to Jason and Jason Thornton at 860-884-5048 or jtlandandhome7@aol.com.
