Meeting was called to order at 7:06 pm.

Discussion of the Selden Rd property recently given to the town centered on the naming of the parcel and the process to determine the developmental needs to facilitate water access.

The consensus of the committee was to name the property Selden's Landing. A sign will be installed to state this naming and recognize the state's contribution of grant funds for its acquisition.

Further research into the potential cost of development will continue.

Meeting was adjourned at 7:53 pm.
