

SELECTMEN'S MINUTES
TUESDAY, JANUARY 19, 2010

Present: Steve Mattson, Parker Lord, Ralph Eno

The meeting was called to order at 3:30 PM and minutes from the board's previous meeting were accepted.

General discussion followed on various matters as there were no formal agenda items requiring action. R. Eno informed the board that Robert Baumer has declined to participate at least initially in a review of mooring permit issues in Hamburg Cove but has indicated a willingness to serve on a committee should the selectmen determine such a process is necessary.

S. Mattson reported the individual selected to develop the town web page and serve as webmaster continues to disappoint. The selectmen decided to seek an alternative firm or person to complete the task.

There being no further business, the meeting was adjourned after the selectmen enjoyed a fudge brownie snack provided by selectman Lord's wife which was greatly appreciated.

Respectfully submitted,

Ralph Eno
