March is Lyme - Old Lyme Solarize Month

Solar. Simple. Together.

Lots of ways to learn how Solarize helps you save!!

MARCH 12 THURSDAY

Solarize Office Hours
Lyme Library, 482 Hamburg Road
4pm-7pm
Talk with Bernie Pelletier from SmartPower about whether Solar makes sense for you. Drop in at your convenience and get your questions answered.

MARCH 22 SUNDAY

Solar Tour - Lyme and Old Lyme
11am - 2pm
Visit solar homes, and building in Lyme and Old Lyme. Hear from residents how it works. For a list of homes – visit SolarizeCT.com/Old Lyme or SolarizeCT.com/Lyme
(Snow date March 29th)

Student Program – The Science of Solar
Old Lyme Phoebe Griffin Noyes Library,
2 Library Lane 3pm
Ray Zelek, local solar installer, will offer a hands on demonstration of the practical science behind solar energy. Aimed at students 10 and up. Registration is limited – call Michelle DeSarbo 860 434 1684

MARCH 25 WEDNESDAY

Solar Crafts
Old Lyme Phoebe Griffin Noyes Library,
2 Library Lane 4pm
Jean Dailey, Chair of the Solarize Old Lyme program demonstrates crafts that utilize the sun. Aimed at students 10 and up. Registration is limited – call Michelle Desarbo 860 434 1684.

MARCH 26 THURSDAY

MARCH 28 SATURDAY

Lyme/ Old Lyme – Final Solarize Workshop
Old Lyme Memorial Town Hall
52 Lyme Street 10am - 1pm
Drop in anytime from 10am to 1PM for discussions and presentations with Solar installers and the town's solar team. One to one consultation is available. Local car dealers will make electric vehicles available for inspection. Plug in hybrids and solar are a great combination.
