

Open Space Committee

Meeting Minutes

March 28, 2017

In attendance: Barbara David, Anthony Irving, George Lombardino, Parker Lord, Steven Mattson, and Lucius Stark.

Meeting was called to order at 7:05 pm.

The Johnston topo map was reviewed as was the status of Parker's knee.

The funding for the Johnston purchase was reviewed and discussion of alternative sources should the state or TNC contributions not equal their goals was held.

It was noted that the Larson property purchase by the state has been completed but little communication has occurred. This parcel will merge with the Nehantic State Forest.

Being no further business, the meeting was adjourned at 7:37 pm.
