

SELECTMEN'S MINUTES  
MONDAY, JUNE 4, 2018

Present: Parker Lord, John Kiker, Steven Mattson

The meeting was called to order at 3:30 P.M. and the minutes for the previous meeting were accepted.

The board approved a resolution allowing the First Selectman to provide information and documentation in support of Emergency Management grant requests to the State and the resolution is attached to these minutes.

The board approved the rescheduling of its next meeting from June 18 to June 20 due to the unavailability of a member.

The board discussed the installation of reflector strips on road signage as a safety enhancement. It was agreed that a small number of installations will be done to gauge both the safety improvement and resident reaction.

The Administrative Assistant position for four boards has been filled and the candidate will also fill the Assistant Town Clerk part time position beginning in July.

Selectman Kiker reviewed the plan for the next Selectmen's newsletter and will be drafting articles for review. He also reviewed the status of the town website relaunch with plans for a July look at available options of redesign.

There being no further business, the meeting was adjourned at 4:40 P.M.

Respectfully submitted,

Steven Mattson
