Lyme, Connecticut

July 5, 2018 Meeting Minutes

Attendees: Isabel Roberge, Chair, Mac Godley, Dan Hagan, Steve Mattson, Phyllis Ross, and Tina West

The Meeting was called to order at 6:00 P.M.

There were several comments regarding the June 6, 2018, Meeting Minutes. Mr. Hagan said he would amend the Minutes to resolve all comments and resubmit for approval at the August Meeting.

The Committee had an extensive discussion regarding the current status of affordable housing and plans for additional housing units. The brainstorming included various ways of expanding the process of adding more units: rental, cluster housing, multi-family, etc. No motions or Committee actions were taken.

Ms. Roberge said two of six 2017 tax returns have been received from current occupants. The Committee requested that the review of these documents be performed after the four remaining requests are received.

Ms. West discussed her investigation into modular home manufactures. Connecticut Valley Homes and Gold Star Homes are available to support our needs. A wide variety of sizes, styles and materials are available.

Our next meeting is August 2, 2018, at 6:00 P.M.

Ms. West made a motion, seconded by Ms. Ross, to adjourn. The motion passed unanimously.
