

Public Outreach Events

RiverCOG is creating its **FIRST EVER** Regional Plan of Conservation and Development and we need **YOUR HELP!**

Please **JOIN US** at the upcoming public outreach events and **GET INVOLVED** in the process!

Event 1: Introductory Presentation

This introductory webinar will introduce the audience to the Regional Plan of Conservation and Development and get them ready to participate in future events. The Introductory Presentation is open to anyone that wants to attend.

When: June 29, 2020 at 7:00 pm

Duration: 30 minutes

Register for the Introductory Presentation here:

Event 2: Municipal Meetings

After the Introductory Presentation, RiverCOG will (virtually) visit each town in the Lower Connecticut River Valley region for a focused discussion on town specific issues and goals and how coordinating between towns can help address and achieve them.

When: Beginning July 1, 2020

Duration: 60 minutes

Check the project website for updates on when we will be coming to **YOUR TOWN!**
