

SELECTMEN'S MINUTES  
MONDAY AUGUST 16, 2021

Present: Parker Lord, John Kiker, Steven Mattson with David Lahm

The meeting was called to order at 3:31 P.M. and the minutes of the previous meeting were accepted.

The board discussed the increase in COVID-19 cases in town and regionally. While Lyme is 86% vaccinated, the state and local health departments are urging that municipalities again require masks inside regardless of vaccination status. The board authorized the First Selectman to again require that all employees and visitors wear masks when inside town facilities. After consultation with the regional Council of Governments an announcement of this change will be issued.

The board passed a resolution (attached) authorizing the First Selectman to sign the Local Bridge Program Supplemental Application between the State of Connecticut and the town for the Birch Mill Road bridge replacement.

Selectman Kiker updated the board of the progress on updating the Employee Handbook and the items remaining. Additional updates will be brought forward at future meetings.

The board was made aware of resident complaints associated with the CT DOT detour of Rte. 82 onto Salem Rd and the speeding and noise situation. DOT and the state police have been informed and will be trying to increase signage and enforcement. The town will be deploying its speed monitoring cart in another attempt to contain speeding on this road in town.

There being no further business, the meeting was adjourned at 4:15 P.M.

Respectfully submitted,

Steven Mattson  
For the Board of Selectmen

RESOLUTION

Project Description:

Local Bridge Program

State Project No. 9074-0007
