

LYME RECREATION COMMISSION MEETING MINUTES

February 2, 2022

Present: Bob Cope, Chair; Sallie Schwartz, MyLan Sarner, Tarra St. Pierre, Caroline McKibben

The meeting was called to order at 7:10 PM

No minutes from previous meeting were approved.

-New Commission members introductions

Tarra St. Pierre and Caroline McKibben are both joining the commission. We discussed the need for 1 more member and the role of Director is still available.

-Review of current programs

Youth basketball is currently going on and there are 16 kids from Lyme. This is about 15% of the mix between Old Lyme and Lyme. Lyme Consolidated Chess Club is a hit and the goal was to have 10 kids and we currently have 20. Jim Miller and Adam McEwen are both running this club.

-Old Business

Schwartz is working with Valley Shore YMCA to firm up swimming lessons. Ongoing discussion of future programs like 4<sup>th</sup> of July Picnic and summer camp event.

-New Business

The topic of a fitness trail has been discussed for some time and the group all agrees the idea of including some fitness stations and mile markers to an existing open space property would be attractive to hikers and trail runners.

The meeting adjourned at 8:14 PM

Respectfully Submitted,

Bob Cope, Chairman
