SELECTPEOPLES'S MINUTES
Monday, December 4, 2023

Present: John Kiker, Christina White, and David Lahm.

The meeting was called to order at 4:00 P.M. and the minutes of the previous meeting were accepted.

One tax refund request was approved.

First Selectman Lahm provided updates in the following areas:

- The Birch Mill Road Bridge is open to traffic. The National Park Service representatives reviewed the plantings and approved them. The Park Service did voice concerns about planting so late in the season. It was agreed that they would reinspect in the spring. If the plants have not taken hold the contractor will replace them under the one year warranty.
- The Mitchell Hill Road improvement project will take place in the spring of 2024

The Board approved dedicating the Birch Mill Bridge to Gilbert R. Miller. Mr. Miller was a lifelong resident of Lyme who resided on Birch Mill Road. Mr. Miller was a member of the Greatest Generation and served valiantly during WWII. Upon his return from the war, he was a valued member of the Lyme Public Works Department.

Old Business: None

New Business: It has been brought to the attention of the Board that nonrecyclable materials are being found in the Hamburg recycling bins, such as TV's and small appliances. If this continues the Board will discuss remedies, such as modification of the hours.

There being no further business, the meeting was adjourned at 4:31 P.M.

Respectfully submitted,
David M. Lahm
For the Board of Selectmen
