SELECTPEOPLE'S MINUTES
Monday, September 16, 2024

Present: John Kiker, Kristina White, David Lahm.

The meeting was called to order at 4:00 P.M. and the minutes of the previous meeting were accepted.

One tax refund request was approved.

Consideration of the Gateway Alternate appointment was, again tabled until the next meeting.
It was with deep regret that Selectman Lahm informed the BOS that he had accepted the resignation of Parker Lord from Open Space Committee. The Board of Select People would like to thank Mr. Lord for his years of service to Lyme.

Chip sealing operations in the Town are complete for the year.

Municipal Solid Waste – the Board continues to research this issue. MSW will remain an agenda item until a replacement for the State operated MIRA can be replaced.

Selectman Lahm updated the BOS on the litigation relating to the Birch Mill Road bridge project. The prime contractor, Suchocki & Son, INC is suing the Town alleging that they performed extra work during the course of the project that they were not compensated for. The Town denies this. The litigation is in the early stages.

Old Business – None

New Business – None

There being no further business, the meeting was adjourned at 4:29 P.M.

Respectfully submitted,

David M. Lahm
