SELECTPEOPLE'S MINUTES
Monday, March 3, 2025

Present: John Kiker (via zoom), Kristina White, and David Lahm

The meeting was called to order at 4:00 P.M. and the minutes of the previous meeting were accepted.

There were no tax refund requests.

Selectman Lahm briefed the Board on the progress of the budget. The Board of Finance has been presented with the Capital and the operating expense budget sections. Ian Neviaser will be briefing the BoF on the school budget March 4th.

Municipal Solid Waste – Selectman Lahm briefed the BOS on talks with Casella regarding MSW and recycling. Simultaneously, the Town is looking into participating in a new multitown consortium to lease the Essex transfer station and continue utilizing it.

Selectman Lahm briefed the Board the progress of the POCD working group. They are making progress with developing a screening methodology for spoliated surveys.

Old Business – Selectman Lahm briefed the Board on the progress of the beaver eradication program at several locations where beaver activity has threatened town infrastructure.

New Business – None

There being no further business, the meeting was adjourned at 4:25 P.M.

Respectfully submitted,

David M. Lahm
For the Board of Selectpeople
