SELECTPEOPLE'S MINUTES
Monday, April 7, 2025

Present: John Kiker, Kristina White, and David Lahm

The meeting was called to order at 4:00 P.M. and the minutes of the previous meeting were accepted.

One tax refund request was approved.

Selectman Lahm briefed the Board on the status of the budget process.

Municipal Solid Waste – Selectman Lahm briefed the BOS that he had heard back from Casella with a proposal. The pricing is advantageous to the Town and the BOS agreed to move forward with the switch to Casella. This switch will be transparent to the public as Jansky will still be the contractor that picks up the household MSW.

Library services – The Board discussed ancillary services such as fax and copy services and decided to continue supporting them. Selectman Lahm will investigate the amount of usage by the public.

Food Composting – On April 14th members of the Board will assemble composting buckets for sale. Selectwoman White will make them available for purchase at the Lyme Land Trust plant sale on April 19th for a nominal charge of $25 per bucket.

Old Business – This year's beaver management program has ended. We were successful in removing 13 beavers from the Tinker Lane North area and Blood Street. This was necessary to protect road infrastructure.

New Business – None

Selectman Lahm briefed the budget that will be presented to the Board of Finance.
The Board voted 3 – 0 to forward the budget to the Board of Finance for advice and approval.

There being no further business before the Board, adjournment was at 4:40.

Respectfully submitted,

David M. Lahm
For the Board of Selectpeople
