Selectpeople's Minutes

Wednesday, July 9, 2025

Present: John Kiker and Kristina White. David Lahm was absent.

The meeting was called to order at 4:00pm and the minutes of the previous meeting were accepted.

No tax refund request was approved.

Brief discussion of the fiscal year end. Due to the Selectpeople not having seen the review prior to the meeting they were unable to give a review. Kristina stated they would revisit this item at the next Board of Selectpeople meeting.

POCD is still working and meeting weekly. Publication of the report is still expected to be in December 2025.

The following appointments were approved:

Senior Center Board of Directors: Jeremy Crisp, Mary Stone and Margaret Thach

Tree Warden: Lars Anderson

New Business - Kristina - would like to discuss further the Hamburg Fair and why town resources are being used toward that event since it is a private nonprofit and not a town run event.

Public asked for comment on Hydrilla controversy. John referenced posts on the town website from the US Army Corps of Engineers.

There being no further business before the Board, the adjournment was at 4:11.

Respectfully submitted,

Kristina White
