Rogers Lake Authority

Rogers Lake Authority
Special Meeting

September 30,2025
7:30pm
Rogers Lake West Shores Club House
Virtual Meeting

Disclaimer: Please note these minutes are considered draft until accepted at the next meeting.

1. Call to Order - Mark Hastings called the meeting to order at 7:31pm.

   Attendance- Mark Hastings, Dick Smith, Toni Phillips, Candace Fuchs, and Joel Hawkins and members of the public.

2. Discussion and vote to improve the replacement of the rower's chase boat dock at Hains Park with a new dock which would provide for the docking of the RLA patrol boat in addition to chase boats.

   Current situation – we are on private property without bathroom facilities, and this is not a permanent location for our patrol boat. We have received quotes from Regatta Dock and have had conversation with Parks & Rec. We are on their agenda for discussion Thursday evening. Total cost for dock = $8700 with a discount for rowers and there will be at least another $500 cost for a storage cabinet. Candace spoke with Superintendent and since high school rowers use the chase boat dock he has agreed to support half the cost of the dock. The project is approximately $10,500 so would cost the town approximately $5250 with the remainder paid for by the regional district.

   MOTION to approve request RLA making a request to the town for up to $5250 for a $10500 project to replace the dock at Hains park for the chase boats to accommodate our patrol boat. SECONDED by Toni Phillips.

   Discussion: Dick is concerned with repairs to the dock going forward. Candace has reached out to Eric Knapp (town land use attorney) and he does not have any jurisdiction in this area. Must be approved by school district and finance department before this moves forward. RLA is simply approving a concept and dollar amount.
   VOTED: 5; OPPOSED: 1; APPROVED. Motion PASSED.

3. Adjourn – The meeting was adjourned at 7:41pm.

Next Scheduled Meeting Wednesday October 8, 2025
